

MID YEAR ROUND UP

FRIENDS OF ADAIRE™ FISHTOWN, PA

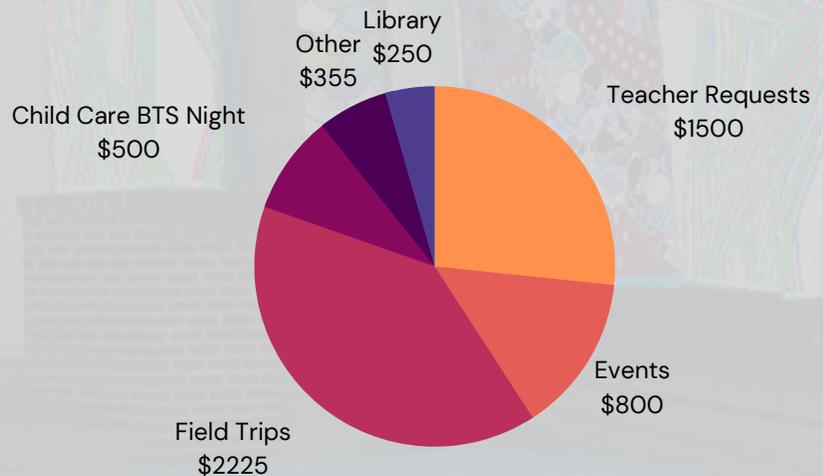

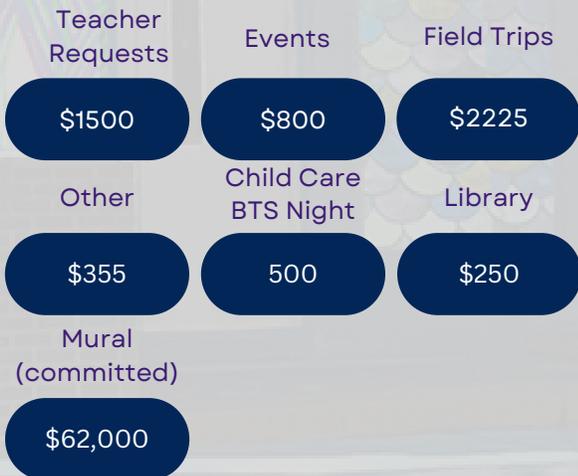

As we wrap up the first half of the 2022-23 school year, we wanted to take a moment and thank our community for your ongoing support of Friends of Adaire. This year you helped us successfully launch our first "30 in 30" fundraising campaign, and we now have more than 30 community members making a contribution every 30 days to our school! Your support has enabled us to fulfill teacher requests to purchase books, headphones, science supplies, furniture, and much more. We have also been able to fund buses for numerous field trips and have sponsored events like Back to School Night and the coat/book swap. We've worked closely with the School Advisory Committee (SAC) to support their amazing efforts organizing the library, and brought our community together for Trunk or Treat, monthly happy hours, and our back to school garden party.

Our biggest venture this year by far is our Annual Fund campaign: the Adaire Mural Project led by parent/artist Ben Volta. Thanks to your generosity we have raised over \$11,500 for the project and we are thrilled that we have received 3 grants for the mural: \$30,000 from the Marrazzo Foundation, \$15,000 from the Penn Treaty Special Services District, and \$3,000 from the Joseph Roberts Foundation. This, along with a \$20,000 commitment from Mural Arts Philadelphia, means our mural project is fully funded! We look forward to all the kids continuing to contribute to the project in upcoming months and hope to celebrate with you at the unveiling towards the end of the school year.
